### Note from the Editor

Welcome to Volume 26, Edition 2 of *Civil Engineering Dimension* (CED). As we begin another exciting edition filled with insightful research and innovations in civil engineering, I would like to take a moment to celebrate a significant achievement within our community.

We are immensely proud to share that our esteemed editor, Professor Benjamin Lumantarna, has been awarded the prestigious HAKI Achievement Award 2024. This accolade, presented by the *Himpunan Ahli Konstruksi Indonesia* (HAKI) during their annual meeting in August, is a well-deserved recognition of Professor Lumantarna's exemplary achievements and continuous contributions to the civil engineering profession and the Indonesian construction industries.

**Prof. Benjamin Lumantarna, Recipient of the 2024 HAKI Achievement Award**

Professor Lumantarna has been at the helm of CED for many years, guiding the journal with his visionary leadership, editorial expertise, and passion for advancing civil engineering knowledge. His commitment to both academia and industry has left an indelible mark, making him a highly respected figure in the field.

We are honored to work alongside such a distinguished individual whose achievements inspire the next generation of civil engineers. On behalf of the editorial team and all contributors to this edition, we extend our heartfelt congratulations to Professor Lumantarna on this outstanding accomplishment.

We hope this issue continues to inform and inspire, as we strive to uphold the standards of excellence that Professor Lumantarna embodies.
